ALL-NEW 2022

QX55

INFINITI

LIFE MOVES FORWARD. ORIGINALITY LEADS THE WAY.

While life moves in one direction, it offers many paths to progress. For those who lead with a vision that's theirs alone, the QX55 is an all-new crossover coupe that blurs the line between genres, to reclaim the category that INFINITI created. From sport-inspired style culminating in its sleek fastback roofline on the exterior, to its performance-shaped design in the interior, the QX55 is a provocative statement of individuality. As aesthetics reset the scene, technology helps create connection via INFINITI InTouch™ featuring wireless Apple CarPlay® integration.¹ And whether on nights out in the city or early starts on the highway, drive assist technologies make possible a drive with confidence and ease – to put your focus on the moment and beyond. Because it's not the challenges and successes in the rearview mirror that count, but the opportunities emerging on the horizon.

LUXURY SHOULD BE LIVED IN

^ ROLL WITH DISTINCTION ¹ 20 X 8.5-inch Dark-Painted and Machine-Finished Aluminum-Alloy Wheels

^ PROVOKES A SECOND LOOK Beyond first impressions, there's no mistaking the sport-inspired details of the aggressive front splitter and angular fog light surrounds. The grille is made dynamic by a mesh that gets wider from the badge to the edges. In the rear, the liftgate has a clean look that draws focus to a new signature for INFINITI: Digital Piano Key Taillights. With 45 LEDs set in a deep reflector, each defined "key" lights up in a uniform glow.

^ STYLE THAT BLURS ESTABLISHED LINES To make a new statement, you can remix styles that seem unrelated on the surface. INFINITI was the first to combine the stature and confidence of a crossover with the sleekness of a coupe. We've brought back that vision by merging the best elements of each in the QX55. You can see it in the low, fastback roofline that unabashedly states its nonconformity. With standard 20" aluminum-alloy wheels, stylishness is amplified by a bold presence. The sheen of black accents unifies the two distinct ideas, from gloss black mirror caps to a gloss black rear spoiler. It's an aesthetic ready-made for the most exclusive events in the city.

MOMENTUM EXPRESSED

This interior is more cockpit than cabin. Expressing the same fearlessness as the exterior, the dashboard flows into the armrest in one bold movement that wraps around the driver. With its Monaco Red color scheme inspired by the revered Q60, you're surrounded in a fiery aesthetic.

The theme extends to durable, yet soft seating featuring our finest available semi-aniline leather appointments. Down to the sharpest details like the precision stitching, the interior is as thrilling as the most spirited drives.

ProPILOT Assist⁴

TAKE CONTROL OF TRAFFIC Never feel "stuck" in traffic again. ProPILOT Assist⁴ is based on the same innovations that will make full autonomy possible in the future, easing your commute on the highway. When activated, ProPILOT Assist⁴ can automatically react to the flow of vehicles ahead by braking, coming to a complete stop, then accelerating again up to speed. The system can even assist steering to help keep you centered in your lane around gentle curves. Together with a suite of advanced safety technologies that come standard, like Predictive Forward Collision Warning⁵ that can alert you to a potential collision up to two cars ahead, the QX55 redefines the commute your way.

A DRIVE SHAPED TO YOUR WHIM

Wherever you want to go, however you want to get there, the QX55 amplifies your moves. The Drive Mode Selector lets you choose performance settings – from more laidback to more sport – on the fly. Meanwhile, the VC-Turbo™ engine transforms from within to give you more power or efficiency based on the demands of your right foot.

PLAYLIST PERFECTION

There's an art to creating a playlist that takes you somewhere. Similarly, the available Bose® 16-speaker Performance Series Audio transforms your playlist into an immersive soundstage. Down to the shape of the speaker grilles that enhance high and low frequencies.

YOUR LIFE ON YOUR PLATFORM

INFINITI InTouch™ with wireless Apple CarPlay® integration lets you bring the iPhone® experience along for the ride.¹ Or plug in your Android Auto™

INFINITI InTouch™ featuring Apple CarPlay® integration¹

compatible phone as your preferred driving companion.¹ And a standard Wi-Fi Hotspot connects your friends, too.¹
